

## WELCOME ATVS!

Welcome to the City of Newport and Prouty Beach Campground! Please enjoy our beautiful town, excellent restaurants and lovely recreation opportunities on the shore of Lake Memphremagog. While camping here, it's important that all guests adhere to the following rules so we can continue welcoming ATVs at our campground.

Be safe and have fun!

### RULES & REGULATIONS

**State of Vermont Laws:** All riders are responsible for registering and insuring their recreational vehicle in accordance with Vermont State Law. Helmets are required for all riders when accessing roads and trails in Vermont.

**Age Requirements:** All operators must be over the age of 16 and must have a valid operator's license. *Children are not permitted to drive ATVs in the campground, even with an adult escort.*

**Speed Limit:** The campground speed limit for all vehicles is 10MPH. Travel only on roads maintained for vehicular traffic. Do not cut through campsites, drive on the beach or on wooded/grassy areas with ATVs. Please use the trails for riding, do not tour around the campground or use your ATVs to run errands or travel to park amenities.

**Parking:** At this time, ATVs are permitted on campsites but trailers must be registered with the office and stored in the designated storage area. **Parking at campsites is limited to two vehicles** (this includes ATVs). Please do not park on driveways or block the roadway. Additional vehicles can be stored in the rear overflow parking.

**Quiet Hours & Courtesy:** Operation of ATVs is prohibited during quiet hours, 10:00PM to 8:00AM. ATV riders are expected to operate their machines as quietly as possible during daytime hours and after dusk to maintain a relaxing campground environment. Please keep music and voices low until you have left the campground.

**Accountability:** The reservation holder signed below is responsible for informing all guests and visitors of the above ATV rules and regulations. Failure to adhere to these rules may result in permanent loss of riding privileges on campground property, eviction from the campground, suspension of future reservations and/or additional costs for clean-up and repair. Fees for damages associated with use of ATVs will be billed directly to your account following check-out.

*I have read and understand the ATV Rules and Regulations and understand my responsibilities as outlined above;*
